

## Caritas of Austin In-Kind Donation Wish List

---

Caritas of Austin places hundreds of homeless and refugee clients into stable housing each year, most of whom come with nothing or very little to fill their homes. We rely on community support and in-kind donations to provide clients with all of the essentials they need upon moving in. We request that all donated items are new or “like-new”. If you are interested in donating any of the following items, please contact Catherine Hood-Foster at [choodfoster@caritasofaustin.org](mailto:choodfoster@caritasofaustin.org) or (512) 646-1258. Thank you for supporting Caritas of Austin!
