INDEPENDENT AUDITORS' REPORT

Board of Directors
Caritas of Austin
Austin, Texas

Opinion

We have audited the accompanying consolidated financial statements of Caritas of Austin and related entity (collectively, Caritas), which comprise the consolidated statements of financial position as of September 30, 2023 and 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Caritas as of September 30, 2023 and 2022, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Caritas and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Caritas' ability to continue as going concerns within one year after the date that the consolidated financial statements are issued.

Auditors' Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Caritas' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Caritas' ability to continue as going concerns for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards as required by *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 7, 2024, on our consideration of Caritas' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Caritas' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Caritas' internal control over financial reporting and compliance.

CARITAS OF AUSTIN
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
YEARS ENDED SEPTEMBER 30, 2023 AND 2022

1. ORGANIZATION

Caritas of Austin (Caritas), a nonprofit organization incorporated in 1977, was founded in 1964 with the vision that all people deserve to have their basic needs met. Today Caritas of Austin intersects with thousands of people who are experiencing poverty and homelessness. Services focused on housing, food, education, and employment enable people to move toward stability and self-sufficiency. The following is an overview of Caritas' programs:

Best Single Source Plus (BSS Plus) Collaboration program is a collaboration among twelve of the Austin and Travis County area's leading nonprofit service providers, trading competition for collaboration to benefit those most in need. Participating agencies include: Any Baby Can, Caritas of Austin, Catholic Charities of Central Texas, Family Eldercare, Foundation for the Homeless, Front Steps, Goodwill Industries of Central Texas, Lifeworks, Meals on Wheels, SAFE Alliance, Salvation Army, and Vivent Health (formerly AIDS Services of Austin). The BSS Plus program provides comprehensive case management and basic needs (rent, mortgage, utility assistance and housing supports) and services to eligible individuals and families in the Travis County and Austin area. The program's primary purpose is establishing housing stability, preventing, and ending homelessness. Caritas of Austin is the fiscal and administrative agent for BSS Plus and houses a dedicated Program Manager and Coordinator for the project.

Refugee Services for documented refugees begins with their arrival in Austin and includes employment assistance and connection to other community resources. The goal of these services is to help refugees transition to life in the United States and achieve self-sufficiency within their first six months of arrival. Refugees served are approved for resettlement by the United States government.

Supportive Housing programs provide permanent housing with on-site and off-site supportive services for individuals who have experienced long-term homelessness and who are recovering from the trauma they have experienced while being homeless.

Employment Services program provides clients opportunities to find and keep jobs in order to support themselves and their families. Clients receive assistance with short-term job placement as well as long-term career development. Services include: pre-employment preparation such as job readiness training, vocational certification, ESL classes, and assistance with professional recertification; referral and placement; work authorization; logistical support; new hire paperwork assistance; and post-hire support.

Food Services consist of the Caritas Community Kitchen and Food Pantry. Each weekday the Caritas Community Kitchen serves a hot, nutritious lunch to over 300 people, no questions asked. The Food Pantry provides groceries and hygiene items to individuals and families already receiving services from Caritas of Austin.

1. ORGANIZATION - CONTINUED

The Supportive Services for Veteran Families program is designed to increase housing stability for veteran families that are at-risk of homelessness or experiencing homelessness. Supportive services include outreach, case management, help in obtaining VA benefits, emergency financial assistance, and assistance obtaining and coordinating other public benefits.

Education classes provide clients with opportunities to enrich their lives and support their path to self-sufficiency. The program takes a holistic approach by teaching the participants the tools they will need to achieve their personal and financial goals. Caritas' education classes focus on three areas: life skills, money management, and workforce development.

Other Program Support includes classes for highly trained volunteers that mentor persons experiencing poverty and newly-arrived documented refugees as these persons move from crisis-driven lives to stable, self-sufficient lives. It also includes program eligibility screening, scheduling appointments with program staff, and referring individuals to community resources.

9027 Northgate Blvd LLC (NorthGate) was formed December 8, 2020, as a Texas limited liability company, wholly owned by Caritas. NorthGate's purpose is to hold title to real estate, collecting rent and other income there from, and turning over the entire amount thereof, less expenses, to Caritas.

These accompanying consolidated financial statements include the operations of Caritas and NorthGate (collectively referred to as Caritas).

Consolidated Financial Statements - In accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958, *Not-for-Profit Entities Consolidation*, the accompanying consolidated financial statements include the financial statements of Caritas. All interorganizational transactions have been eliminated.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation - Caritas' consolidated financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, Caritas are required to report information regarding their consolidated financial position and activities, as applicable, according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions, based on the absence or existence of donor-imposed restrictions.

Classification of Net Assets - The consolidated financial statements report information regarding Caritas' financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Caritas and changes therein are classified as follows:

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Classification of Net Assets (Continued)

Net assets without donor restrictions - Net assets that are not subject to stipulations. Net assets without donor stipulations may be used for any purpose or designated for specific purposes by action of the Board of Directors of Caritas.

Net assets with donor restrictions - Net assets the use of which is subject to stipulations that can be fulfilled by actions of Caritas pursuant to those stipulations.

Board Designated Net Assets - As of September 30, 2023 and 2022, Caritas' Board of Directors designated a total of \$393,109 and \$420,000, respectively, of net assets without donor restriction, to acquire, expand, equip, maintain, repair, or enhance the physical property or building systems located at 611 Neches and for the purchase reserve of Caritas' North Austin facility.

Use of Estimates - The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Cash and Cash Equivalents - Cash equivalents are considered to be investments purchased with original maturities of three months or less.

Property and Equipment - During 2023, Caritas increased the capitalization threshold for property and equipment from \$1,000 to \$2,500 or greater, which are recorded at cost when purchased. This change did not have a significant impact to these consolidated financial statements. Donated property and equipment is recorded at the fair market value as of the date of the gift. Acquisitions valued at less than \$2,500 are expensed. Depreciation is calculated on the straight-line basis over the estimated useful lives of the assets, generally 5 years for equipment, 7 years for furniture and fixtures, and 39 years for buildings. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is recognized in operations for the current period. The cost of maintenance and repairs is charged to operations as incurred; significant renewals and betterments are capitalized.

Government Grant Revenue - Caritas considers all government grants and contracts to be exchange contracts and not contributions. Caritas recognizes revenue from these transactions as services are rendered and expenses are incurred. Caritas uses the allowance method to determine uncollectible receivables. The allowance is based on prior years' experience and management's analysis of accounts. There is no allowance for uncollectible grant receivables at September 30, 2023 and 2022, respectively.

CARITAS OF AUSTIN

YEARS ENDED SEPTEMBER 30, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Contribution Revenue - Contributions received including unconditional promises to give are recorded as unrestricted, temporarily restricted, or permanently restricted support in the period pledged depending on the existence and nature of any donor restrictions. Contributions received with donor-imposed restrictions that are satisfied in the same reporting period are reported as temporarily restricted revenue and released from restrictions. Conditional promises to give are recognized when the conditions on which they are dependent are substantially met. Caritas uses the allowance method to determine uncollectible unconditional pledges receivable. The allowance is based on prior years' experience and management's analysis of specific promises made. There is no allowance for uncollectible pledges at September 30, 2023 and 2022, respectively.

Contributed Nonfinancial Assets - Donated services and materials are reflected in the consolidated statements of activities as revenue at their fair value on the date of receipt. Donated services are recognized by Caritas if the services received create or enhance non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Fair Value Measurements - Caritas measures and discloses fair value measurements in accordance with the fair value hierarchy. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. There are three general valuation techniques that may be used to measure fair value, as described below:

- A) **Market approach** - Uses prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities. Prices may be indicated by pricing guides, sale transactions, market trades, or other sources;
- B) **Cost approach** - Based on the amount that would currently be required to replace the service capacity of an asset (replacement cost); and
- C) **Income approach** - Uses valuation techniques to convert future amounts to a single present amount based on current market expectations about the future amounts (includes present value techniques and option-pricing models). Net present value is an income approach where a stream of expected cash flows is discounted at an appropriate market interest rate.

Fair value measurements are determined using three levels of inputs: level 1, quoted prices in active markets for identical assets; level 2, significant other observable inputs and level 3, significant unobservable inputs.

Reclassifications - Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Functional Allocation of Expenses - The costs of providing Caritas' various programs and supporting services have been reported on a functional basis in the consolidated statements of activities and functional expenses. Accordingly, certain costs have been allocated among the programs benefited and supporting services based on estimates provided by management. Expenses that are specifically identifiable to a function are allocated entirely to that function. Expenses that are not specifically identifiable to a function are allocated based upon management's estimate of time and resources devoted to the function. The significant expenses that are allocated on the basis of time and effort include personnel, office and administration expenses, depreciation and amortization, travel and meeting, insurance, and rent.

Federal Income Tax Status - Caritas is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, except for any unrelated business activities. Caritas is subject to routine examinations of its returns; however, there are no examinations currently in progress. The September 30, 2020, and subsequent tax years remain subject to examination by the Internal Revenue Service.

Significant Accounting Pronouncements - Caritas has adopted ASC 740-10, *Accounting for Uncertainty in Income Taxes*. That standard prescribes a minimum recognition threshold and measurement methodology that a tax position taken or expected to be taken in a tax return is required to meet before being recognized in consolidated financial statements. It also provided guidance for de-recognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition.

Recently Issued Accounting Pronouncements - Effective October 1, 2022, Caritas adopted the new lease accounting guidance in FASB Accounting Standards Update (ASU) No. 2016-02, *Leases (Topic 842)*. Caritas has elected the package of practical expedients permitted in FASB ASC Topic 842. Accordingly, Caritas accounted for its existing operating leases as operating leases under the new guidance, without reassessing (a) whether the contracts contain a lease under ASC Topic 842, (b) whether classification of the operating leases would be different in accordance with ASC Topic 842, or (c) whether the unamortized initial direct costs before transition adjustments (as of October 1, 2022) would have met the definition of initial direct costs in ASC Topic 842 at lease commencement. Caritas did not have any leases that qualified for a beginning balance adoption as of October 1, 2022. See Note 12.

Subsequent Events - Management of Caritas has evaluated subsequent events for disclosure through the date of the Independent Auditors' Report, the date the consolidated financial statements were available to be issued. See Note 14.

5. ENDOWMENT FUNDS

During the 2006 fiscal year, Caritas established the Caritas of Austin Endowment Fund (the Fund), a permanent endowment fund, at the Austin Community Foundation (the Foundation). The assets are irrevocably held by the Foundation and are managed to accomplish Caritas' designated charitable purpose. The Fund's assets are not recorded in the consolidated statements of financial position of Caritas as the Foundation reserves the power to modify any condition or restriction on the distributions from the Fund. The balance in the Fund as of September 30, 2023 and 2022, was \$143,670 and \$131,030, respectively. There were no transfers from Caritas to the Fund during the years ended September 30, 2023 and 2022.

Annually, the Foundation's Board of Governors makes a determination of the amount to grant to Caritas, based on the Foundation's spending policy. The Foundation's current spending policy is that five percent of the Fund's value as of December 31 each year shall be the available for distribution in the following year. Such distribution will be available to Caritas pursuant to a letter of instruction from Caritas, but subject to the Foundation's Board of Governors' approval. If the amount available to grant is not distributed in a single year, any remaining balance available to grant will carry over to subsequent years. During the years ended September 30, 2023 and 2022, the Fund provided \$1,900 and \$1,900, respectively, in grant revenue to Caritas.

6. INVESTMENTS

Investments consisted of the following at September 30:

YEARS ENDED SEPTEMBER 30, 2023 AND 2022

8. CONTRIBUTED NONFINANCIAL ASSETS - CONTINUED

Donated materials include food, clothing, and hygiene products provided to various programs. These materials were valued at fair value based on an average of \$1.93 per pound as determined by Feeding America.

Donated services include office rent, bus passes, and instructional services provided to various programs. These services were valued at fair value based on the service provided and what the service provider would have charged for those services.

9. CONTINGENCIES

Caritas receives government grants for specific purposes that are subject to review and audit by government agencies. Such audits could result in a request for reimbursement for expenditures disallowed under terms and conditions of the appropriate agency. In the opinion of Caritas' management, such disallowances, if any, would not be significant.

Caritas also has rental agreements with area apartment complexes for placement of those in need of housing assistance. As of September 30, 2023, Caritas is contingently liable for rental payments of approximately \$574,315. This contingency will be covered by using grant funds for housing assistance.

10. CONCENTRATIONS

Financial instruments that potentially subject Caritas to credit risk consist of cash and cash equivalents and receivables. Caritas places its cash and cash equivalents with a limited number of high quality financial institutions and at times may exceed the amount of insurance provided on such deposits. At September 30, 2023, Caritas held \$1,631,994 in deposits in excess of the Federal Deposit Insurance Corporation insurance coverage. Management believes no significant risk exists with respect to cash and cash equivalents. Caritas does not maintain collateral for its receivables and does not believe significant risk exists at September 30, 2023 and 2022.

For the year ended September 30, 2023, Caritas received grant funding from three government entities that accounted for 91% of grant revenue and three government entities that accounted for 95% grants receivable. For the year ended September 30, 2022, Caritas received grant funding from three government entities that accounted for 90% of grant revenue and three government entities that accounted for 91% grants receivable.

11. RELATED PARTY TRANSACTIONS

Certain members of the Board of Directors of Caritas contributed \$63,274 and \$158,507, to Caritas during the years ended September 30, 2023 and 2022, respectively.

Current lease liability	\$ 71,115
Long - term lease liability	<u>117,049</u>
	<u>\$ 188,164</u>

Future minimum lease payments consisted of the following at:

<u>Year Ending September 30:</u>	
2024	\$ 75,787
2025	75,787
2026	<u>44,209</u>
Total	<u>\$ 195,783</u>

13. RETIREMENT PLAN

Caritas participates in a 403(b) plan through One Voice Central Texas that allows employee elective deferrals up to the maximum amount allowed by law. Participants may make a separate election to defer up to 90% of any bonus compensation. Caritas makes matching contributions equal to 50% of the participant's elective deferrals up to 6% of a participant's compensation. Caritas made matching contributions of \$100,312 and \$16,589, for the years ended September 30, 2023 and 2022, respectively.

14. LINE OF CREDIT

At September 30, 2023 and 2022, Caritas had available a line of credit with a financial institution. Maximum borrowings available under this line of credit were \$1,000,000 as of September 30, 2023, and 2022. Interest on the line is based on the prime rate published in the Wall Street Journal in the "Money Rates" section plus 0.750% . The interest rate in effect as of September 30, 2023, was 4%. The line matures on November 2, 2023. The balances on the line of credit were \$0 and \$0 as of September 30, 2023 and 2022, respectively. On November 7, 2023, the line of credit was renewed, the limit was increased to \$1,500,000, and the interest on the line is based on the prime rate published in the Wall Street Journal in the "Money Rates" section plus 1.250%, with a floor of 3.50%.

15. NOTE PAYABLE - MORTGAGE

	<u>2023</u>	<u>2022</u>
On February 4, 2021, NorthGate purchased property valued at \$2,850,000. This purchase was financed with a loan in the amount of \$2,280,000, with an interest rate of 3.99% for the first 5 years of the loan, then the lesser of the U.S. Prime Rate plus 0.05% or 3.99%. Principal and interest payments of \$13,872 will be due on the 5th day of each month beginning on March 5, 2021 through February 5, 2026, and then the payment will be adjusted and agreed upon annually starting on March 5, 2026 and maturing on February 5, 2041.

Financial assets available to meet cash needs for general expenditures over the next twelve months	<u>\$ 3,075,414</u>	<u>\$ 3,762,523</u>

Caritas has a goal to maintain financial assets, which consist of cash and receivables, on hand to meet normal operating expenses. Management believes this to be sufficient capital to fund the anticipated growth of Caritas in the subsequent year as well as any unanticipated contingencies or losses.

18. JOINT VENTURE - CAIRN POINT

On July 1, 2023, Caritas entered into a joint venture for an affordable housing project called Cairn Point at Cameron, LP. Caritas contributed \$6,422,262 for a 25% equity ownership of the project with 2 other owners. This investment will be accounted for using the equity method and is considered a level 3 investment.

SUPPLEMENTARY INFORMATION

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Caritas of Austin

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Caritas of Austin (Caritas), which comprise the statement of financial position as of September 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 7, 2024.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Caritas' internal controls over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Caritas' internal control. Accordingly, we do not express an opinion on the effectiveness of Caritas' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Caritas' financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and; accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matter that is required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM
AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE
IN ACCORDANCE WITH THE UNIFORM GUIDANCE**

Board of Directors
Caritas of Austin

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Caritas of Austin's (Caritas), a non-profit organization, compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of Caritas' major federal programs for the year ended September 30, 2023. Caritas' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Caritas complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (Government Auditing Standards); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Caritas and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Caritas' compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Caritas' federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Caritas' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Caritas' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Caritas' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Caritas' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Caritas' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

CARITAS OF AUSTIN
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED SEPTEMBER 30, 2023

NOTE A - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of Caritas of Austin (Caritas) under programs of the federal government for the year ended September 30, 2023. The information in this Schedule is presented in accordance with the requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Caritas, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Caritas.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE C - INDIRECT COST RATES

Caritas has not elected to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

NOTE D - LOANS

These amount is included on the Schedule of Expenditures of Federal Awards because it represents a loan still outstanding with the U.S. Department of Treasury (passed through from Travis County). All loan proceeds were received in a the current year.
