HOLIDAY GIVING OPPORTUNITIES

This holiday season, there are several tangible ways you can help build wellbeing for your neighbors in need. These opportunities are great for both groups and individuals. Host a donation drive at your workplace, gather donations at a holiday party, or join your family and friends to purchase in-kind packages. We request all donation items are new and dropped off at 611 Neches by December 30th. Please contact Jackie Blanchard at jblanchard@caritasofaustin.org if you have any questions or to arrange a drop off. Thank you for your holiday generosity!
