

ENDING HOMELESSNESS TOGETHER

2021 Annual Report

Caritas of Austin

In my 16 years at Caritas of Austin, I have never been so hope-filled about our ability to make homelessness rare, brief, and nonrecurring in our community.

We experienced unprecedented community support for our work last year from partners like you. To me, this is an indication that homelessness is at the forefront of minds. Though Austin has diverse experiences on this complex issue in recent years, we now stand

united moving forward with solutions that work to end homelessness.

In 2021, we began laying the groundwork for what will be significant growth in our capacity and services in the coming several years. Most notably, we broke ground on Espero Rutland, Caritas of Austin's first housing development. The property will provide a deeply affordable and intensely Supportive Housing community in North Austin for 171 individuals experiencing homelessness.

The way Espero Rutland became a reality is a perfect example of our value of working together with people in the business community, city leaders, and supporters like you. The level

of support we will provide to residents at Espero Rutland will be unique, and we are excited about several other development opportunities to share with you in coming months.

I am grateful for partners like you who are standing with us in our bold mission to *End Homelessness Together*. Thank you for trusting and joining us as we work to ensure all Austinites have a stable place to call home and can reach their full potential.

Jo Kathryn Quinn,
President and Chief Executive Officer

HOUSING

Our Housing services address the diverse experiences of homelessness. Homelessness is not one-size-fits-all, and our programs are not either. Because of your support, we have tailored programs for individuals who have lived on the streets for years, families who just lost a job and were evicted, youth on the run from the foster care system and living in a car, and Veterans who are without a home. Within each program we provide personalized support, as unique to each person as their thumbprint.

Caritas of Austin is partnering with The Vecino Group and Austin Housing Finance Corporation to build Espero Rutland, a Permanent Supportive Housing community that will house 171 individuals who have experienced homelessness.

Last August, construction broke ground and will continue throughout 2022. Once completed, our team will provide 24/7 onsite support services to all residents. This is Caritas of Austin's first housing community, made possible in part by investors Citibank and CVS Health. We are excited to continue growing our capacity through more future developments like Espero Rutland. Your support this year can provide funding for staffing and ongoing support services.

OUR HOUSING PROGRAMS

PERMANENT SUPPORTIVE HOUSING Supports households who have experienced chronic homelessness and a history of at least one disabling condition. This is usually a longer-term program, promoting independent living, health and benefits connection, and high levels of daily support.

ImpACT Supportive Housing serving clients who are the highest utilizers of local crisis services in Austin/Travis County prior to program enrollment.

RAPID REHOUSING Supports individuals and families to quickly exit homelessness and return to permanent housing in the community. The programs below each focus on a different population:

Housing Stability

Provides swift, efficient services to clients including housing, case management, peer support, and limited direct financial assistance to individuals and families.

Supportive Services for Veteran Families

Provides rapid rehousing services to homeless veterans and their families, along with connection to mental health and other community resources.

Youth Homelessness Demonstration Program

Provides housing, case management, and peer support services to young adults aged 18 to 24 who are experiencing homelessness.

609

people received housing services

BECAUSE OF YOU

We house everywhere so people can contribute anywhere.

Rather than house people in just one property or part of the city, we let clients determine where in the city is the best place for them to regain stability after homelessness. We support their desire to live close to employment, public transportation, and their support system. This facilitates people contributing to the new community around them after years of living on the fringe.

Your commitment to ending homelessness makes Austin more vibrant for **ALL** who call it **HOME.**

YOUR SUPPORT FUELED

In our work to end homelessness, access to nutritious food through our Community Kitchen and two Pantry locations continues to be a priority. We know that without these basic needs fulfilled, people cannot rebuild well-being and construct a strong foundation for success.

BEST SINGLE SOURCE PLUS

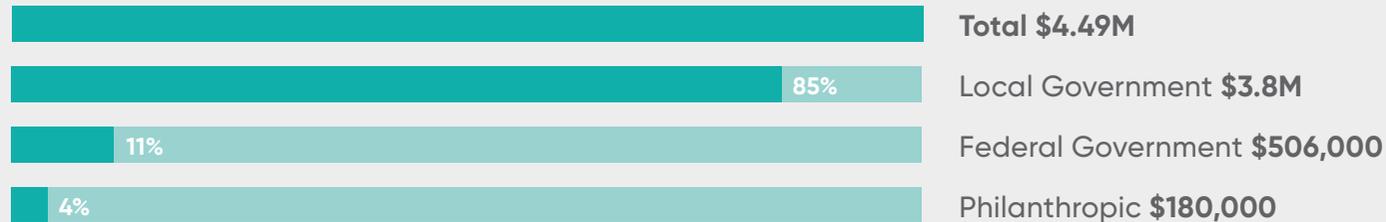

Caritas of Austin is the fiscal agent for and leads Best Single Source Plus, a collaborative of 12 organizations focused on homelessness prevention and rapid re-housing. Since 2005, the BSS+ collaborative has been a critical strategy of the City of Austin's work to prevent and end homelessness. The program's goal is to make housing services easily accessible, efficient and effective, and to eliminate duplicated services and barriers to people receiving support.
